“ Dear Carol,

It was a privilege to get to know Alfreda and be her hospice chaplain during her last days. She truly was an amazing woman and you have a lot of good memories that you can cherish forever.

She was always a good example for others to follow, and I wanted to setup a Memorial Website for her so that others that knew her could share memories of her life. It was a life Well Lived and Well Loved and she had such a deep faith.

On behalf of the Sonoran Winds Hospice Team, we are sorry for your loss, and want to send our condolences. Know that you are in our prayers during this difficult time.

Chaplain Roger Rustad and the Sonoran Winds Hospice Team
