Reflecting on Memories - March 25 at 11:34 PM

“ Dear Patti, Jeff, and Family,

On behalf of Kind Heart Hospice, I want to extend our heartfelt condolences on the passing of your beloved mother, Beth Sparks. It has been an honor to walk alongside her and your family during this tender time. I wanted to create this memorial website so the family and friends of Beth could share memories and tell the story of a life well lived and well loved.

Beth's strength, independence, and sharp spirit were evident to everyone who had the privilege of knowing her. Her remarkable life—as a world traveler, devoted mother, and accomplished real estate professional—reflected a deep love for life and family. She carried herself with grace and purpose, and her conversations often revealed both wisdom and warmth.

We recognize the loving care and dedication you showed in making sure she was comfortable and surrounded by family, especially Patti's compassion and devotion in being by her side. Beth's life was rich in love and meaning, and her legacy will continue through each of you.

Please know that Kind Heart Hospice and Chaplain Roger Rustad, continue to hold your family in our thoughts and prayers. Bereavement resources and support are available should you wish to reach out in the days and weeks ahead.

With deepest sympathy and blessings,

*Chaplain Roger Rustad
