“ *A mother’s guiding hand sits on the shoulder of her children and the loss of a mother is such a great loss that can’t be filled by anyone else. Betty Jo Bryant, was someone who always inspired others. She was a wonderful Christian and she did a fine job she did in raising her family and teaching them to follow her example. May she rest in peace, and I know that she will be terribly missed by everyone who knew her.*

She was also married to Army veteran hero James D. Bryant. Please send our sympathies to your entire family and know that our hospice team was privileged to care for her in her last days, and somehow we were able to ease your burden.
