

Bobby Silverman

May 25, 2013

The Heritage Singers family is deeply saddened by the passing of our dear, beloved friend, Bobby Silverman. He was with us from the very beginning of our musical journey from 1971 to 1984 as our pianist. He passed away yesterday at the age of 76. He was an extremely gifted friend.

Bobby began picking out songs on the piano at the age of two. His formal piano training began at age seven and three years later he won first prize at the Jersey City, New Jersey, YMCA Music Festival and Recital. Bobby received his Associate in Arts Degree from Los Angeles City College, and Bachelor and Master of Arts degrees from California State College in Los Angeles, and a graduation diploma at the United States Naval School of Music in Washington, D.C. His training has been primarily in piano and organ. However, with his skills he has served as band and choral director as well as music instructor at various schools and for many music festivals.

After many years of fond memories, we will miss our dear friend. Until we meet again in heaven, we will treasure the many wonderful memories you have left us with. May you rest in the arms of Jesus. We love you and will miss you, our dear friend!

In lieu of flowers you may make a donation in honor of Bobby Silverman to the Heritage Singers Foundation <http://www.heritagesingers.com/donation.cfm>
