

Catherine V. Hubbard

June 8, 2006 - December 14, 2012

On a small cul-de-sac in Sandy Hook, Conn., 6-year-old Catherine V. Hubbard lived with her family in a two-story home that on Saturday had Christmas wreaths hanging from many windows.

The first-grader was among those killed at Sandy Hook Elementary School on Friday.

On Saturday, the girls's family congregated there and asked for prayers.

"We are greatly saddened by the loss of our beautiful daughter, Catherine Violet, and our thoughts and prayers are with the other families who have been affected by this tragedy," the family said in a statement. "We ask that you continue to pray for us and the other families who have experienced loss in this tragedy."
