# Tribute Wall

“ Colleen was such an insightful and loving person. We spent many hours laughing, crying together and sharing our thoughts about life, memories and special moments. Sending you love and light as you embark upon your spiritual journey into the next realm of Heaven. Lisa and Andrea are blessed to have had such a great example of a great mother. Lisa and Andrea if you ever need anyone to talk I will always be here for you.

*Eternally your friend, Vicki Cobb-Jenkins*
