“ I met Crystal in high school. She was always kind to me, and pretty much everyone she came across. And I am not just saying this because she passed away, this is the truth. Anyone who knew Crystal can tell you that she was a kind, and loyal friend. She had a big heart. I miss her sarcasm, I miss her twisted sense of humor, and I miss her smile. She was always there for me. Crystal simply never failed to be there. Even now. I know she is looking down upon us. I miss you so much Crystal. I will always love you. I hope we see each other again one sweet day.
