“ My memories with Dayenne started at Cerritos College in the late 80's with our other friends. We had so much fun in college. We balanced our college years with going to the mall, pizza parlor, and movies. We all graduated, though, it seems like we mostly spent our time outside the school. Dayenne, you're one of my best friends in college that i will never forget. I love that we all came to Christ and knowing that you're in a better place now. I love you friend. I pray that your family find peace and comfort from our dear Father and our savior, Jesus Christ.

To your dearest wife, Paz, thank you for taking care of our dearest friend. Funseekers will be there for you, if you need a friend and reminisce the memories of our dearest Dayenne.

Love,
Cynthia
