*So the other nite I was speaking with my sons 30 years old & 19 yrs , I am 62 yrs old . I am about to retire a “ master craftsmen “ metal , welding , carpentry. My skills with my hands were a gift from God , I was raw but gifted. So my Mom encouraged me to take a “shop class” in school . Paul Revere Jr, high in Brentwood Ca . There I met a teacher named Don Bebb . The year was 1972/73 Mr. Bebb aka Sargent Carter as we fondly called him had just installed an arc welder station , so while the class was working on beginner projects, mr Bebb was playing with his new toy ! I walked over to him and asked if I could try welding , he said ok and gave me a lesson and put the tool in my hand , well he was blown away ! He was “ kid”!! That’s almost a perfect weld ! Wow you got it . From that day forward we were pals , I was his go to student . He taught me how to weld, work the lath , anvil, drill press , forge, cast ,etc.etc. ?while the other kids were working on school projects Mr. Bebb let me build a go cart , and a motorcycle side car !! , his trust in me as 16 yr old meant the world to me ! His attention to detail, his shop was immaculate! Every thing in its place , perfect order ! A clean shop is a safe shop he taught me. , those lessons he taught me so many years ago and the faith in me as kid to push myself . I will never forget Don Bebb he was the man who inspired me to take my gifts to great heights in the construction field , I am a class A licensed, master craftsman because of Mr, Don Bebb . I have never forgotten him , One day in class we were talking , he said to me Dornan that name sounds familiar are you related to Robert Dornan ? I said yes that’s my dad ,,,, what ! Robert k Dornan is your dad ,! I watch his tv show .. (my father had a local news show on channel 5 in la) My dad was an Air Force vet Dons age , and mr. Bebb loved my dad for exposing Jane Fonda for being the commie she is ! From that day forward we were buds . So after telling my sons the story of Mr Don Bebb and his great influence in my life I started thinking about him how he was maybe I could find him , so I did a search and Wow I found this ! So sad I was a year to late !! To his family I say your dad your brother your husband left his mark on this Kid and I’m sure many others ,, God bless his memory his life Respectfully. Bob Dornan jr.
