

## Ernest Roland

October 21, 1947 - December 28, 2018

“What will matter is not what you bought, but what you built. What will matter is not what you got, but what you gave. What will matter is not what you learned, but what you taught. It is not about your competence, but about your character. It is not about your success, but about your significance. In other words, why did you do what you did?”

--Greg Laurie, Sr. Pastor at Harvest Christian Fellowship.

“ Ernest is my uncle. I spent my childhood weekends at Ernest's. Ernest watched and helped me grow up. I watched Ernest go through his transition in life from drunkard to saved. The Lord truly “saved” Ernest. My uncle was a walking and talking miracle and told everyone that would listen. The life he lived was only because of God. Ernest was that uncle that you could go to for “anything” he was guaranteed to be there and have a story for you. I've spent so much time with him I think I've heard them all. I would do anything for Ernest like bring coffee to him while he was in the hospital when they wouldn't give him any. Stop my Saturday activities and buy and bring him cigarettes. Whenever Ernest called I came. I love you Uncle and I will see you again!
