“ Dear Beatrice and the Siordia Family,

Please accept my heartfelt condolences on the passing of Esperanza on February 11, 2026. Her life was a beautiful testimony of faith, devotion, and love — reflected most clearly in the seventy-one years she shared with her husband and the strong, close-knit family they built together.

I am sure that all of the children will miss her. It was our privilege with St. Bernardine Hospice to be there for her in her last days and we hope that we somehow eased your burden. I made this webpage for you so you could share memories and remember the good times that you had together.

Esperanza's deep Catholic faith and her steadfast commitment to God and family will continue to shine through each of you. Though her earthly journey has come to a close, you can be comforted in knowing that she is now at peace and we will meet again someday.

May the Lord grant you comfort and peace in this time of sorrow, and may your cherished memories and faith in eternal life bring you strength.

With prayers and sympathy,

*Chaplain Roger Rustad
St. Bernardine Hospice*
