CR

“ To the Flavio Dominquez family.

*Our staff at Green Meadows Hospice would like to thank each member of the Dominquez family for allowing us to be there and help Flavio during this difficult time in his life, and we hope that we have somehow eased your burden.*

*The family was especially thankful for our nurse Linda, and other Green Meadows Hospice staff, who provided him comfort, and each one who went the second mile in Flavio's care. I still remember the final prayer that we had together with the family around the bedside and the smiles he gave, that showed that he was so proud of his family.*

*I wanted to make this special memorial website for Flavio, to depict in a small way the patriotic life that he had, well loved and well lived and yes, he was truly a mighty warrior that served in BOTH the Army and the Air Force He was such an inspiration to everyone he met. I made this memorial website to be a comfort each of the family and his friends for a long time and know that Flavio continues to live in the hearts of those that he left behind.*

*We want all of the Dominquez family to know that the staff members from Green Meadows hospice are here for you, and we are wishing healing from your loss, and remember that there are just as many days as there are nights. As soon as I get the photos, I am going to make a special tribute movie of his life that you can share with the family and friends and help to turn those tears turn into smiles.*

*Please check back for updates on the burial with honors at the Riverside VA Cemetery.*
