“ We were honored to be able to provide care for such a wonderful man and a true American Hero. I only wish we had more time together. One of the things I will always remember is Mr.Muleady's wonderful smile. Whenever we would visit his smile was so genuine and warm it would brighten the room.

*I spent the majority of my life in the military, as an aviator. I tried to explain to my staff the significance of the Distinguished Flying Cross, a medal bestowed to LT Muleady. For an aviator, the medal holds great significance, and it is not awarded lightly. The requirements state to be awarded the medal, the airman must "distinguish himself by heroism or extraordinary achievement while participating in aerial flight." I can only imagine the hardships endured by LT Muleady to earn that medal and ensure freedom survived a global threat of extinction. I am forever indebted to him for the sacrifices he made for me and my family.*

*In the Army it is quite common to call a fellow soldier, "Brother". While we are not related by blood, we share a bond that goes much deeper. So to my brother Pat, until we meet again, may the good Lord hold you in the palm of his hand. When I am called home, I hope to be greeted with that soul warming smile!*

*Rest in peace Brother*
