“ To Liz and the Omatsu family members

*Someone has said, "All sorrows can be borne if you put them into a story or tell a story about them." I got to be Frank's last new friend and he wanted to have prayer together before he died. What a wonderful example Frank left for each of us and what a mighty hero he was during WW2. I know that this is a difficult time for each of you, and going through this difficult time can very hard, but know that you can call when you need to talk to someone with a caring heart.*
