“ To the Nuqui family and each of the children and grandchildren,

*It was my privilege as Gloria's hospice chaplain, to be able to spend a little time with Gloria at her bedside and meet some of the grandchildren and other family members shortly before she passed away.*

*As her strength began to fade, the family can be comforted in knowing that they did everything they could to honor her deep Roman Catholic faith, reaching out for the Sacrament of the Sick and longing for those sacred words of blessing spoken over her. Even when a priest could not arrive as quickly as they hoped, God's presence was deeply felt in that little room—in the daughters' tenderness, in their tears, in the stories they shared about their mother's kindness, and it was easy to see that Gloria loved each of you.*

*As we gathered around the bed and joined hands for the final prayer together, there was a sacred stillness—as if heaven had drawn especially near. Though each of your hearts were breaking, your courage, your devotion, and your trust, became a powerful witness to the very faith your mother had passed on to each of you.*

*I would like to thank the Nuqui family for allowing the Green Meadows Hospice team to provide care for Gloria in her final few days, and we hope that we have somehow eased your burden. I would also like to thank the family for allowing me to be invited in the family circle for the final prayer and hope to meet Gloria again someday, when there will be no more pain, death and suffering. You are in our prayers and feel free to reach out to our bereavement team anytime you feel you need some additional support.*

*Sincerely,*

*Green Meadows Hospice Team &  
Chaplain Roger Rustad*
