

Guillermo A. Salcedo

June 8, 1936 - June 29, 2021

Our patriarch, Indeed, the great Pillar of our family. The pillar may be gone, but the foundation remains strong, for it was built by a great, loyal, and faithful husband, father, grandfather, and great-grand father. The love, unity, strength, and faith of our family is his legacy, his inheritance to us.

Thank you for letting me take of you during the last weeks of your life. I will never forget the beautiful smile on your face, and the way you looked after me, after us, your family and caregivers, even though you were feeling ill. Truly a man with a pure and caring heart. I aspire to be even half the brilliant, wise, kind, and generous man that you are.

“ To the Salcedo family,

I never met Guillermo, but he truly must have been a great man and loved by his family. I made this Memorial Webpage to be a comfort to the Salcedo family for many years to come, and know that the words of each of the names that are signed, and the messages that are written, are penned in love and these words speak to the simple fact that Guillermo still lives in the hearts of those that he left behind.

This memorial website only depicts in a very small way the wonderful life that he lived and he was truly an inspiration to everyone that he met. Someone has penned the words, "The greater the love, the greater the loss".

Each family member had a special love for Guillermo, and it is comforting to know that you will see those smiles and feel his hugs again.
