“ I have very fond memories of my Pop Herb teaching me how to play the card game, Casino and of swimming at his pool in San Diego. I remember he had this very beautiful, colorful ceramic globe and the brightest green carpet in his living room. We would stand on that carpet and he would tell me how to pronounce different places on the globe I'd point to at 6 or 7 years old. Rest in peace, Pop Herb.

Precious memory Homer! It just so happens that I kept that globe. It's one of the few things that I kept. It's up in Lake arrowhead.

“ I, Diana, remember we were driving to LA where he got together with the entire family and he was telling me on the way back to SD how happy he had been seeing everybody.

“ Dear Marcus Family,

*Please accept my heartfelt condolences on the passing of Herbert. His life was a testament to strength, devotion, and quiet courage. As a proud U.S. Army veteran of the Korean War, he served his country with dignity—and continued to embody that same steadfast spirit in the way he lived and loved.*

*Herbert's deep love for his family, his disciplined and joyful approach to life, and his appreciation for the outdoors reflect a man who truly understood both duty and delight. His warmth, humor, and resilience have clearly left a lasting mark on all who had the privilege of knowing him.*

*May you find comfort in the many memories you shared and pride in the enduring legacy he leaves behind. Please know that my thoughts and prayers are with you during this time of remembrance and gratitude for a life well-lived.*

*Just know that the Art of Hospice Care Team considered it a privilege to take care of Herbert in his last days and hope that we have somehow eased the family burden.*

*With sincere sympathy,*
