“ *It was my privilege to be there for the family and Jackie in her last hours...What a nice family and I am looking forward to making a memorial keepsake DVD that will help to turn those tears into smiles. We offer an excellent E-bereavement program and we are not going to let you go till you are ready.*

“ *I only knew Jackie for the final 6 months of her life. Despite her slowly, progressive, debilitating disease, she was always a polite lady who remembered to ask me how I was and thanked me for my visit. Her smile lit up her face. She was looking forward to going home to be with her Mother & Husband. She is with them now, in the arm of her Lord & Savior, & no longer suffering. God Bless the life & memories of Jackie. A true lady. Heather Kruse RN*
