“ To Nancy Reyes and all the beloved friends and family of Jo Ann,

My heart and prayers are with you as you grieve the passing of your dear mother, Jo Ann. She lived a full and gracious life, and her love continues to shine through the many hearts she touched with her kindness and spirit. Though sorrow fills our hearts for now, we hold fast to the sacred promise of a new dawn—a day when there will be no more parting or pain, but only life and light everlasting.

It was our privilege to walk beside Jo Ann and your family in her final days and to offer hospice care as she completed her earthly journey. We hope our presence brought some measure of comfort and peace. May you continue to find strength in the beautiful memories you shared and in the love that endures beyond time and space.

In honor of Jo Ann's life, I have created this memorial website where family and friends can gather to share photos, stories, and tributes—a living testimony to her lasting influence and joy.

May God cradle each of you in His peace, strengthen you with His tender comfort, and fill you with hope for that joyful reunion in His eternal presence. Jo Ann's journey of faith is complete, and she now rests in the everlasting care of the One who makes all things new.

With heartfelt sympathy and prayer,
