“ I was so sorry to hear of John's passing and my heart is with his family during this sad time. He was a good friend and mentor to me during the beginning of my career...his calm and wise guidance will forever be his gift to me. My only regret was that so much time passed and I never knew that he was sick. Be at peace my friend...and may God hold you in the hollow of his hand until we meet again. V. H. Mills
