“ To the family of Kay Armstrong,

Linda, I was saddened to learn of your mother's death when you called me, and I know that she was so proud of you and she appreciated the wonderful love and care you have given her through the years. I know that this is a very difficult time for you, but you have to remember that there are just as many days as there are nights. I know that you both have a lot of good memories and I hope that your lifetime of loving memories will fill your days and nights with solace and comfort. Your mother was a dedicated veteran who served during the Korean Conflict and you can be proud of her service to our country.

Please know that the entire Newport Hospice Care team is saddened by the loss of Kay, but we consider it our privilege to have been able to be there in her last days to ease her pain and make her final days the best that they could be.

Our Newport Hospice Care Bereavement Team is there for you to help you on your Grief Journey and we have many resources that we can share. I put together this web page to start you and each family member on your way to healing so you can recall those special memories that you shared together. Know that our Bereavement staff is ready with resources and we are willing to listen when you need a caring voice to talk to.

Time heals....Love restores,

Chaplain Roger Rustad
