That is truly a great tribute to Kevin. So much of his life as an adult I knew nothing about. The music.....wish I would have heard them play and sing. Mom, Ruby Clark is so so sad that she can't come to Kevin's memorial. She's extremely upset and doesn't think it would be a good thing for her to attend. She just keeps telling me that after his accident he called her "my Ruby". But know that he is in her heart💕 all our hearts! Prayers to you Marcella and LaVon and your family that God will guide you through. Love to you all. Gibby and Donna
