“ Dear Victoria and the McNamee Family,

On behalf of the hospice staff at St. Bernardine Hospice, please accept our heartfelt condolences on the passing of your beloved Kiyoko Arai McNamee. It was truly a privilege to care for her in her final days and to witness the deep love and devotion that surrounds your family.

Kiyoko's life tells a story of strength, faith, and enduring commitment. She shared many years of marriage with her husband, a courageous Army veteran and former POW, and together they built a family rooted in resilience and love. The legacy they created lives on through each of you.

We are especially grateful for the attentive and compassionate care provided by her daughter, Victoria. Her dedication reflects the deep respect and love that has always been present in your family, honoring both her mother's wishes and her father's legacy.

As you grieve, please know that you are not alone. Our hospice team remains here for you—for support, for prayer, and for whatever comfort we can provide in the days ahead. In remembrance of Kiyoko, and I would also like to invite you to participate in a memorial website that I am creating, where family and friends can share stories, photos, and cherished memories that celebrate her life.

In times of loss, we gently hold onto the truth that just as there are just as many nights as there are days. Even in sorrow, light will return, carried forward in memory, love, and the bonds you share.

May peace surround you and may Kiyoko's memory be a lasting blessing.

With sympathy and care,

Roger Rustad
