“ Welcome and thank you for visiting Larry's Memorial page. His children encourage you to upload any photos you have of Larry along with your memories. Dad's health started declining drastically in the past couple of months. Leah and Shauna had him taken to the hospital on 2/19 and he was released home into the care of hospice on 2/22. He peacefully passed at 10:10 pm on 2/24/2024. He leaves behind his four children: Leah, Brandon, Shauna and Holly and his grandson Jack! We are at peace knowing our Dad is no longer suffering. All of his children were able to gather around him in his last hours-days, even Jack.
