

Leo Schreven

May 19, 1961 - December 1, 2012

Leo Schreven, 51, of Kettle Falls, WA, unexpectedly passed way on Saturday, December 1.

Leo was born to Leonardus and Johanna Schreven, May 19, 1961 in Phoenix, Arizona. Leo married Tamara Fields Schreven in 1983 and they made their home in Kettle Falls for the past 23 years.

Leo served as an evangelist in the Seventh-day Adventist Church for 30 years. His ministry touched the lives of countless thousands around the world and he will be remembered as a dynamic preacher who helped people find Jesus as their Savior. His All Power seminars have blessed multitudes and his DVDs and sermons will continue to benefit future generations.

Leo loved camping, boating, hiking, reading, and time with his family.

Leo is survived by his wife Tamara, daughter Cierra, parents, brothers John and Herman, sister Ella, and their spouses and children.

The family will hold a private service. In lieu of flowers, the family requests that memorial gifts in Leo's name be made out to All Power Ministries, PO Box 1158, Kettle Falls, WA 99141. You can mark it for a memorial fund for Cierra or for Crystal Peaks Youth Ranch.

“And God will wipe away every tear from their eyes; there shall be no more death, no sorrow, nor crying; and there shall be no more pain, for the former things have passed away. Then He who sat on the throne said, ‘Behold, I make all things new.’ And He said to me, ‘Write, for these words are true and faithful.’” Revelation 21:4, 5

“ I never had the pleasure of meeting this wonderful man of GOD, but I have many many beautiful memories of my family and I all gathered around each Sabbath, watching and listening to his wonderful sermons. Our family had his whole DVD collection. I have yet to find a preacher to be able to fully grasp my attention and hold it like Leo did. The spirit of GOD truly flowed through that mans words. I never once zoned out. Not once. I only found myself wanting to hear more. GOD bless his spirit, and his beautiful family.

“ I met Leo during one of his bible seminars he conducted at a church in Las Vegas in 2003 or 2004. I simply cannot say enough good things about this man. He truly was a man of God. He was kind and gentle, not to mention a talented public speaker. He performed my baptism when I was 14 years old. The influence he spread definitely made the world a better place.

I agree! My brother and I attended his seminar in February 2003 in Milwaukee, WI and we both became born again Christians! I couldn't get enough! I didn't want his week long seminar to end 😊. I so appreciated him 💖

“ My girlfriend at the time, Debbie, and I met Leo and Tamara when we attended an Amazing Facts seminar from late Sept to late October of 1990 here in Austin, Tx. It was that seminar that converted me from Catholicism to become a Seventh-Day Adventist. As a matter of fact it was on Oct. 25th, 1990, during the baptism of new converts, that Debbie and I got baptized together, dried off, then actually got married during the seminar. Although it was the pastor of the church who married us, Leo was right there standing by his side. I just read this news last night, so I want to send my very belated condolences to Tamara and Cierra for their loss. May he rest until our glorious resurrection.

I met Leo by chance in 2006 and it changed my life completely. I started attending the nightly meetings and like many others, I learned the truth and I found something that I had been looking a long time for, a home. I will always be grateful to Leo and his family.

“ I met Leo in 2000 in London. A night that forever changed my life. In 2002 I joined Leo in delivering a few of his seminars at some of his venues. I cannot forget the opportunity he gave me nor the way he impacted my life. When I count the ways that God has ministered to me through others, Leo and All Power Seminars have played a major part. The Lord Jesus is able to keep that which we have committed unto him against that day. My prayers are with the family.

“ I remember graduating from Amazing Facts college of Evangelism with a renewed energy for ministry in 2002. Unfortunately I did not have a lot of time or money at that point in my life to use the skills and tools I had developed in the way I wanted. But I felt it important to try something at least, however small, so I decided I wanted to make copies of Leo's prophecy seminar in Walla Walla and give them to people, because those very videos changed the course of my life forever. But I did not have a master set nor the money to buy it (\$100+). I called Leo's ministry and asked if they could help me in any way, such as discount the price, etc. with the promise that I would make copies at my own cost and share them with as many people as I could. The person I talked to on the phone said she would send Leo an email to see what she could do. Some time later I received a brand new set of DVDs in the mail free of charge with some encouraging words. I will never forget this generosity. As a result of having those videos in my hand, my mother, friends in the military, co-workers, my fiance, and dozens more have watched these videos, many of which are now baptized members in the church. Leo's efforts had a trickle down effect that allowed many seeds to be spread. That is a true evangelist.

“ I am so very sorry for your loss, we know you, we, will see him again one day! I just want to express to you, his family, what he has done for my life. He was such an inspiration to myself as well as many others in my area, he brought many people to the Lord here and all over the world, he will never be forgotten!!! His God given talents will live on thru his daughter, after watching her first video, he was one of, if not the best father I have known here on this earth!!! I am praying for your terrible loss at this time! I am just so very thankful I was able to meet him and the impression he left in my life! What a man of God he was!!! His example was one of a kind in my life, I plan on sharing his dvds life messages with as many as I can, to show how the Lord blessed him with such wonderful, life experiences and examples of how our lives can be, if we just seek it, as Leo did. Thank YOU SO MUCH FOR SHARING HIM WITH THE WORLD AS YOU HAVE!!!! Many lives were changed forever because of his Love for his Savior!!! as u go thru this time of adjustment , many prayers are with you, for comfort, grace and peace in the follow days. May God richly bless you now and always is my prayer for u all!!

“ I am so thankful for Leo Schreven ~ he and his family are often in my prayers! In May of 2003, my brother and myself got "saved" by attending his "All Power Seminar" in Milwaukee, Wisconsin. I am ever so grateful that Leo lived for Jesus with all his precious heart! I had only been in the seminar a short spell and I KNEW that I was hearing TRUTH! I was changed and my brother and I made the decision to find a Sabbath keeping church to attend - I now attend the Wisconsin Academy SDA Church in Columbus, WI. My brother passed away in May of 2008 at the age of 47 ~ he is resting in the Lord and will be raised when the Lord returns! Thank you so much Leo!!!!!!

“ God used Leo dramatically in our lives. The Biblical truth he presented so clearly gave us courage to join a church we believed in despite terrible pressure and opposition from those closest to us. He baptized us. He stayed in our home during his evangelical meetings in Arkansas, and we loved having the chance to get to know him better. He became our friend and brother. He was the most encouraging, sincere, passionate person for God that I've ever met. He inspired us to change our lives in so many ways, and never give up. Leo was probably the person in my life that God used to change me the most, and it was for the better. I have turned my health around due to his teachings and example. I went from being very sick to running marathons and triathlons. I plan to run my first full Ironman within the next 16 months. It will be in his honor...

Leo taught us to seek God's word, question until we found truth, and squeeze every drop out of life possible. I will never forget him, and I am so grateful we will get to see him again someday.

Tamara and Cierra, I only had the opportunity to meet you once, but you were very kind to us. Thank you for sharing Leo with so many. Cierra, I lost my mom when I was 15 to cancer. You will especially be in my prayers. God can heal even the most broken of hearts, you just have to give Him all the pieces.

Much love, prayers, and tears with you,

“ Leo was used by Jesus to lead me back into a life of peace and safety. I praise the Lord for he and his amazing wife and daughter. It would be well for us all to remember that just as in a single moment we can feel overwhelmed with defeat, in our final moment clinging to life on this earth, our gracious Saviour can bring to remembrance a lifetime of blessings effectively leading us back to a peace filled saving relationship with Him before we go to sleep and await His return.

I whole heartedly expect to see my brother Leo's gleaming face when we are all reunited in heaven.

Peace in Christ.

“ Dear Tamara and Cierra,

Tamera, I can barely imagine the grief that you, your daughter Cierra, Leo's parents and each of siblings and their families must be going through at this time. I not only wanted to give my condolences but I wanted to make a special web page that could start to bring some healing to each of Leo's family and many friends. Leo will still remain in our hearts forever and hopefully this Website will help start many people on the path to healing.

Just know that each of the names that are signed on this Tribute Wall, and the messages written are all penned in love. These words speak of the simple fact that Leo continues to live in the hearts of the many people he left behind.

It has been my experience that people heal much faster when they can come together and celebrate a life, and share their experiences and memories. I invite each of you to share a special memory, condolence message, upload your favorite photos and movies. Feel free to explore the E-bereavement resources that are available to each one mourning Leo.

It has been my pleasure to make a special Tribute Movie that just depicts in a small way the life that he lived and the inspiration he was to everyone he met. There are so many people that could tell you how their lives that were changed by his words.

Someone has penned the words, "The greater the love, the greater the loss". Leo had a special love for his family and friends and it is comforting to know that you will see those smiles and feel those hugs again.

Sincerely,

Chaplain Roger Rustad
