“ Please accept my sincere condolences during this difficult time. Although I did not have the opportunity to know your loved one personally, my thoughts are with you and your family. Wishing you comfort, strength, and peace as you navigate this loss.

“ Dear Suzanne,

Heartfelt sympathy is extended to you from Chaplain Roger Rustad and the entire Green Meadows Hospice team on the loss of your dear mother, Lillian. She was blessed with 98 years of life, and her long, faithful walk with the Lord stands as a beautiful testimony to God's grace and to her steady trust in Him. You have so many memories, that no one can take from you.

Lillian's well-formed relationship with God was evident, and she was a perfect example whose faith and character were safe for all of us to follow. On behalf of Green Meadows Hospice, thank you for allowing us the privilege of taking care of Lillian in her final days and providing comfort care as she faced end of life.

As you grieve her absence, may you also find comfort in knowing that her days of hospice are over and that, through Christ, we have the promise of eternal life and a joyful reunion yet to come.

Our prayers are that the God of all comfort will surround you with His peace, strengthen you day by day, and give you hope as you walk through this season of loss. May He hold you close, lift your spirit when the days feel heavy, and gently remind you that Lillian now rests safely in His everlasting care.

Suzanne, I made this memorial website for you and each family member, to share memories and photos, and I want you to know that all of the visitors that come to this memorial website and all names signed on this page are signed in love for Lillian and each of her family.

Feel free to reach out to anyone on our bereavement team at any time should you need it as we have many bereavement resources for you and the family.

With Christian love and sympathy,

*From the Green Meadows Hospice Team,
Chaplain Roger Rustad*
