

Louis Miller

September 23, 1931 - March 8, 2012

Born: September 23, 1931 - Passed: March 8, 2012

Lou was born in Brockton, Massachusetts. The first son of Louis and Evelyn Miller. He had three younger brothers, Robert, Richard, and Donald. His parents divorced early in his life, so at the age of 14, Lou began working to support his Mother and brothers. This began his 60 year career as a Machinist. It was not uncommon to hear people praise Lou for his exemplary skills and work ethic.

When Lou was 17 he joined the Navy and served for 17 months. This was the first time he came to live in California and at age 21 he returned making California his home for the rest of his life. The best memories of Lou were when he sat down to play his guitar and sing for family and friends.

Lou and Glenda were married in November 1968. He is survived by his wife, Glenda, his sons, Michael and Kevin, his daughter, Cathi, Debbie, Christy, and Carol. As well as 15 grandchildren and several great grandchildren.

The world has lost a good, decent, and dedicated man, who will be loved forever.
