“ *With heartfelt sympathy, we extend our prayers and deepest condolences to James and the entire Goodrow family at the passing of Lucy.*

Lucy's long and faith-filled life stands as a beautiful witness to the love of God and the strength of family. Having been born and raised in the Roman Catholic tradition, her devotion and quiet grace surely touched all who knew her. Her days of pain are now over, and she can look forward to that promised place where there is no more death or dying, but only peace in a land where tears will never fall.

On behalf of Chaplain Roger and the entire Green Meadows Hospice team, we want to thank you for allowing us to be with Lucy and your family during her final days on hospice. It was our privilege to help bring comfort, ease the family's burden, and walk with you through those last sacred steps of her journey. I set up the memorial website for the many friends and family of Lucy to share memories and share stories and each of the names on this page are signed in love for Lucy and each family member is in our thoughts and prayers.

May the memories you share bring you peace and strength in the days ahead. Please know that our thoughts and prayers remain with you all and our Green Meadows bereavement team is available for support anytime you need it.
