“ To the Family of Marcia Adamson,

I was saddened to learn of your mother's death and it was my privilege to get to meet with Marcia and have a final prayer with her just hours before she died. What a wonderful wife and mother she was. She had such a strong faith and we spent time talking about heaven and how there was not going to be any more pain or death. We read many of her favorite passages and scriptures that were so precious to her. She was so proud of each of her children.

I know that this is a very difficult time for each of you, but you have to remember that there are just as many days as there are nights. I know that you both have a lot of good memories and I hope that your lifetime of loving memories will fill your days and nights with solace and comfort.

Death may end a life, but NOT a relationship. I know that Marcia had a deep love for each of you kept your pictures by her bed. Please know that the entire Angels Hospice team is saddened by the loss of Marcia but we consider it our privilege to have been able to be there in her last days to ease her pain and make her final days the best that they could be.

Our Angel's Hospice Bereavement Team is there for you to help you on your Grief Journey and we have many resources that we can share. I put together this web page to help start each of you on your way to healing so you can recall those special memories that you shared together. Know that our Bereavement staff is ready with resources and we are willing to listen when you need a caring voice to talk to.

Time heals....Love restores,
