“ It was our great pleasure to be able to know such a wonderful, amiable and beautiful woman that she was. Thank you for the opportunity to provide care to Margarett and hope we were able to make the difference. God bless you Margarett in your journey to home. Our deepest condolences to your family!

“ A mother's guiding hand sits on the shoulder of her children, and the loss of a mother is such a great loss, that can't be filled by anyone else. Margarett Johns, was someone who always inspired others. She was a wonderful Christian and she did a fine job she did in raising her family and teaching them to follow her example. May she rest in peace, and I know that she will be terribly missed by everyone who knew her. Please send our sympathies to your entire family and know that our hospice team was privileged to care for her in her last days, and somehow we were able to ease your burden.
