

Mitchell Steven Martin

October 26, 1963 - December 26, 2019

Mitchell Steven Martin was born on October 26th, 1963 and passed away on December 26th, 2019. He was the fourth of five children of Sheila and Terry Martin. Beginning at an early age and continuing through adulthood, Mitch was very much a jokester. His siblings and childhood friends fondly remember countless stories of Mitch being so silly and playfully competitive. Not only did he endeavor to make people laugh, but Mitch also exuded abundant warmth and vibrancy. He had such a soft heart, youthful soul and caring nature.

He spent over a decade working as a salesman at At&t Wireless where he earned numerous accolades including the President's Club Award and Top Sales Producer for the entire company nationally. More importantly, this is where he met and fell in love with his wife, Gemma. They married and had two wonderful sons together, David and Dustin, who Mitch was immensely proud of. Mitch spent a lot of time with them playing sports, participating in cub scouts, going to trivia nights, and watching their band performances. He loved football, basketball and skateboarding. He was an incredibly compassionate father, son, husband and friend. Mitch was truly one of a kind. Although he left this world far too soon, Mitch's legacy lives on with his family and in the memory of every person who has had the pleasure of knowing him. He will be greatly missed.

To all of you please say a prayer

To those who loved me
To those who cared
I tried to love life
I tried to give
Alone this soul dies
So alone it lives
But this face sees a face it hates
This falling failing death of fate
