“ One of my many memories of aunt Pat!

She and her family were driving from California to Ohio and invited me to go along on the cross country trip.

One of the first times I had a chance to see our beautiful country.

Aunt Pat treated me like one of her own family.

From the day we started our journey to the day we got home and for many years to follow I was a honorary Smith!

The trips to big bear, the Fourth of July parties, the sleep overs.

Many many life lasting memories. Thank you aunt Pat and uncle bill.

Love you

“ Patricia aka Pat is my sister. I have many good memories of her but most important to me is she was a very caring person. Starting as a young girl she would give to or take care of others. Before she married Bill she had a friend Sonny and he was also from a large family that didn't have much. I remember one Christmas she put a Christmas together for them buying for his mom,dad. sisters and brothers.

Pat also helped her husband with his family taking in her mother inlaw and uncles almost from the first day of their marriage, she was like a mother to her brother inlaws for all these years. Pat would give the shirt off her back and never ask for anything in return. She gave more to others then she received. They say better to give than receive...Pat lived that life. RIP PAT!
