

Patrick Allen Knox, Sr.

February 21, 1950 - August 8, 2024

Patrick Allen Knox born February 21, 1950, in Annapolis MD, went to be with our Lord on the 8th of August 2024, surrounded by his family. Patrick was preceded in death by his parents Andrew Timothy Knox (Fondly known as “Knox”) and Florence Gloria Knox (nee: Johnson, fondly known as “Globo”), his two elder brothers, Andrew Timothy Knox Jr. and Wayne Curtis Knox; Maternal Grandparents Charles Edward Johnson, Sr and Florence Murray Johnson; and Paternal Grandmother Nettie Knox Stevens. Survived by his devoted Wife Norma Jean Knox (NG) of 35 years, his three children: Patrick Allen Knox Jr. (LP) of Baltimore, MD; Damara Kenyatta Knox-Harris (Dee) of Pasadena, MD; and Robert Reynaldo Knox (The Fox) of Beaumont, CA. Patrick is also survived by siblings: Brother Dexter Knox, Sisters Vera Adams, and Cheryl Knox, and his three grandchildren, Jayden Watson, Penelope Knox and Aubrey Knox.

Upon relocating to the welcoming community of Barstow, CA, Patrick found a place where his warm spirit and strong sense of community engagement flourished. He became an integral part of the neighborhood, known for his compassionate nature and willingness to lend a helping hand whenever needed. His presence brought a sense of unity and camaraderie to those around him, making Barstow feel like an even more vibrant and close-knit community.

Patrick proudly served in the Marine Corps and Army National Guard, embodying courage, honor, and dedication. Throughout his military career, he exemplified the true essence of patriotism and selflessness, earning the respect and admiration of his peers. Post-retirement, he seamlessly transitioned into a new role as Sergeant at Arms at Union AFGE 1482, where his leadership and organizational skills shined bright. His commitment to upholding principles of fairness, integrity, and excellence made him a respected figure within the organization and a role model for all who worked alongside him.

In addition to his dedicated service to his country and community, Patrick's love for muscle cars was a true passion that brought him immense joy and fulfillment. His expertise in automotive craftsmanship and his enthusiasm for restoring classic vehicles were evident in every project he undertook, captivating the admiration of fellow enthusiasts and igniting a shared passion for all things automotive.

Patrick's boundless generosity, unwavering dedication to his family, and the profound impact he left on the community through his acts of kindness and service will forever be cherished and remembered. His legacy as a devoted serviceman, loving family man, and friend to all, will continue to inspire others to follow in his footsteps and make a positive difference in the lives we will continue to live.

Don't grieve for me for now I am Free. I am following the path God laid for me. I took his hand when I heard him call; I turned my back and left it all. I could not stay another day, to laugh, to love, to work, or play. Tasks left undone must stay that way; I found that place at the close of day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss; ah yes, these things, I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life has been full, I savored much, good

friends, good times, a loved one's touch. Perhaps my time seems all too brief;
don't lengthen it now with undue grief. Lift up your heart and share with me,
God wanted me now, He has set me free.

“ *The Bible tells us no one is promised tomorrow everyday is a gift. Pat made the most of his gifts everyday. The positive impact he left on my family and I and I'm sure all of you knew him will resonate with us always. The many lunches together and great conversations about everything especially cars is something I always looked forward to with Pat. I will miss my good friend but I can rest knowing I will see him again. May God comfort his entire family during this difficult time. R/ Jerry Piper Sr.*

I will greatly miss my cousin Pat. I will miss the talks we had and while driving he would describe the snow on the mountaintops and the heat in the desert. I will miss his contagious smile, his wisdom and he was a great person to know. I am sending my sincere sympathy to Norma and the family. Praying that God in His infinite mercy and grace comfort and strengthen you.

“ Patrick was our next door neighbor on Wilshire Place for 30 years. During those years his kindness was shown not only to us but to everybody in the neighborhood. Norma and Pat were always there for me and my husband Cippy. When we moved from Wiltshire they were there to help us move in the hot July heat. One thing that really stands out in my mind and is also kind of funny is the respect Patrick got from everybody in our neighborhood. With Pat there we did not need police protection he took care of all of us if there were trouble makers and problems in the neighborhood. Patrick Knox, thank you for everything you did for all of us; so now rest in the arms of Jesus.
