RR

“ To the Family of Ralph Ferrara, Jr.

*Fara, I was saddened to learn of Ralph's death, and as a neighbor, it was my privilege to get to meet Ralph and talk with him on many occasions. I know that this is a very difficult time for each of you, but you have to remember that there are just as many days as there are nights. I am sure that you and others in your family have a lot of good memories, and I hope that your lifetime of loving memories will fill your days and nights with solace and comfort, and somehow turn those tears into smiles.*

*Death may end a life, but NOT a relationship. I know that Ralph had a deep love for each of his children and grandchildren, and I wanted make this memorial website to help start each of you on the road to healing, so you can recall those special memories that you shared together.*

*Know that I am always ready with many bereavement and grief recovery resources, and I am willing to listen when you need a caring voice to talk to. Only the memories that are shared are the memories that will last because TIME heals....LOVE restores.*
