“ To The Raul Rodriguez family,

*It has been my privilege to set up this permanent memorial website for a truly great hero. Raul was a dedicated Marine, and did his part to preserve our freedom, and we will be forever grateful. Just know that the entire Newport Hospice team considered it a privilege to care for Raul in his last days, and we hope that we have somehow eased your burden.*

*I have created this memorial website for the family and friends of Raul to share memories. Someone has said, "All sorrows can be borne if you put them into a story or tell a story about them."*

*As you reflect on these memories, remember to live your life the way that Raul would have wanted you to live and celebrate his life. Going through this difficult time is going to be rough, but know that you are not alone, and know that Newport Hospice offers many bereavement resources to help with healing.*

*Just call us when you want to talk to someone with a caring heart. In some small way, I hope that I have been able to paint a picture of Raul and his life that was well-lived and well-loved.*

*Our sincere condolences from the entire Newport Hospice Team,*

*Chaplain Roger Rustad*
