

Ricky Tadlock

December 14, 1957 - September 11, 2020

Rick peacefully made his entrance into the gates of heaven on September 11, 2020 while surrounded by his loved ones.

Born to Reverend Howard G. Tadlock and Wilma F. Tadlock in Lodi, Ca on December 14, 1957. Rick was the youngest of his four siblings, Reverend Jim Tadlock, Sharon Vindedahl and Bonita Werbowski. He is survived by his Mother, siblings Jim and Sharon and is now rejoicing in heaven with his Father and Sister Bonita. Rick leaves behind his loving Wife Peggy along with their three wonderful children and spouses, Richard (Son), Jessica (Daughter in Law), Robert (Son), Andrea (Daughter) and Jorge (Son in law) as well as four grandchildren, Alexa, Madison, Jacob and Brayden. All whom he was so very proud of and loved dearly.

He began his life in Woodbridge, Ca followed by Salinas, Ca then to McFarland, Ca and his family made their final landing in Norwalk, Ca in December of 1969. On December 30, 1978 Rick married the love of his life then proceeded to move in his home on Foster Rd. in Norwalk, which he resided in for 40 years and raised his three children. He began his truck driving career over 35 years ago. He enjoyed his journey through 48 states over the years, that entailed many memories of visiting extended family (his top priority), meeting new people (which he loved) and many crazy stories that have been told several times over. When the opportunity and time permitted,

Rick enjoyed camping and fishing.

Rick had a true zest for life. He always had a story or joke to share that would bring light, love and laughter to any room. And if you really knew him, guaranteed you were a part of his jokes and pranks. Being born into a Christian heritage, Rick knew the Lord from a very young age. As he grew in his faith, his gift and calling became very evident. That God ordained gift was a heart for people and community. Throughout his life he was known to lend a helping hand, give when in need, share his testimonies and most of all, minister the Word of God to anyone and that crossed his path. The passion and boldness he carried was incomparable.

After years of miracles, testimonies and re-devoting his life to the Lord, Rick became an ordained Minister and began Breath of Life Ministries. Rick loved nothing more than to speak in the house of God and deliver his powerful testimony. He spent countless hours outreaching in his community and far beyond. He provided numerous bibles, lunches, clothing and prayer to the streets of Skid Row and Norwalk. He's provided backpacks, school supplies and a reminder of God's love to many children in the community and to an orphanage. Also partnering with his Brother Jim Tadlock's church (Visalia New Life) to win souls for the kingdom of God. Rick was a courageous warrior.

Rick's heart of gold, love, passion, boldness, courage, voice, and presence will be missed beyond measure. Rest assured, he was greeted at the gates of heaven with "Well done thy good and faithful servant!" We are comforted by the Lord's promises and look forward to the day we are all able to reunite again.

Just as Rick would vibrantly and passionately finish with...

TO GOD BE THE GLORY!!!

“ Rick, Peggy and most of the family have been patients of mine for over 30 years. Pastor Rick would come in to see Dr. Esmaili for his own medical issues but he always found the time to pray for someone in the office. He was an outstanding human being with a tremendous heart. He will definitely be missed. Rest In Peace Rick 🙏🙏🙏

“ I have been with Rick since I was 15 years old, we would have been married 42 years in December. Through all those years I seen the heart he had for people. He was a truck driver for a very long time. He loved the company he worked for Avocado Green because of the people he worked with, he loved getting up every morning to go to work. He was a people person. No matter where he was if somebody needed prayer he prayed for them, or if they were hungry he would get them something to eat. Im very proud of my husband how he helped out in our City, the different organizations he helped with food distributions and helping families in need. He started our Ministry..Breath of Life Ministries..to help and feed the needy, pray and bring people close to the Lord! This was his legacy and myself, daughter, and son in law will keep it going. We have 3 wonderful Children and 4 beautiful Grandchildren that he adored. His family meant everything to him. He fought this awful disease he had, he was a fighter till his very last breath! My heart is broken and aches for you Babe, but I know your no longer in pain, and I know I will see you again in heaven! I know your watching over all of us and your our guardian angel!
I Love you Babe your forever in my heart!!! TO GOD BE THE GLORY!!!

“ Rick, what a heart you had for everyone. Always finding the silver lining and putting a spin on whatever the issue usually interjecting your humor. And always going the extra for everyone, loving on people right where they were in their journey of life. What a beautiful gift!

Your family, church family, friends, co-workers and strangers have been blessed by you many times. What a warrior for God you have been, you lived what you preached and I am happy to call you cousin and brother in our beautiful Lord. You have many jewels in your crown! And you are in His perfect peace! Amen. His Garden!

Your life journey from darkness to light has shown people there is redemption through Christ Jesus. You have brought many to know they are forgiven and loved and you inspired people to seek Jesus knowing Jesus loves us more than we could ever love anyone and for all of us to remember to give Glory to Him. Your words: To God Be The Glory!

I already miss our conversations and prayers.

Till we meet again,
Your cousin,
Lois❤️
