

Pastor Rob Lloyd

September 1, 1949 - July 6, 2013

Sept. 1, 1949 - July 6, 2013

Sabbath morning July 6, 2013 Pastor Rob Lloyd passed away at a hospital in Hong Kong. He was on his way to the mission field in Rawanda to do what he so loved to do. He was going to manage 40 ShareHim International campaigns with Don Folkenberg. He began feeling ill in Korea and when his flight landed in Hong Kong he was taken to the hospital. After a CT scan he was operated on to repair a suspected perforated bowel. Doctors found extensive gangrene and, feeling there was nothing they could do, they sewed up his abdomen.

Rob was able to videoconference with his family, seeing and hearing his wife, kids and grandkids. By the grace of God, The Hawaii Conference President - Elder Ralph Watts III was traveling in Vietnam and was able to get to Hong Kong and join him at his bedside for a few hours. Once there, Elder Watts read scriptures, and sang songs of hope and assurance before Pastor Rob drifted peacefully to sleep in our Lord.

Rob was the pastor of the Kailua SDA Church for the past 21 years. He is greatly missed.
