“ Roy and I were so blessed to have known her for many years . Always loving, caring and there when you needed anything . She will be in our hearts and thoughts everyday.

“ My grandma  she was the purest, most loving and giving soul I knew. I loved being able to have the chance to be so close to her. I have so many memories with my grandma that will last a lifetime. She was the heart and soul of our family, her love for her family never wavered, we could call anytime we needed and she was there. Watching her with my girls was pure joy she loved them like I've never seen before and boy did they love her back...that was their Nana she loved going to her house and hanging out with her. She was there for every one of their births and had such a special bond with them. I couldn't have asked for a better grandma or Nana  we will miss you immensely grandma, this family will never be the same without you.

“ *A wife, a mother, a grandma too. This is the legacy we have from you. You taught us love and how to fight. You gave us strength, you gave us might. A stronger person would be hard to find. And in your heart you were always kind. You fought for all of us all in one way or another, not just as a grandmother but Nana too. For all of us you gave your best. And now the time has come for you to rest. You went in peace, you earned your sleep. Your love in our hearts we'll eternally keep.*

“ *Rosemarie is the mother of my dear sister in law. She was such a lovely warm woman who's smile always made any room brighter. I truly loved her.*

When she entertained, she never sat down, always wanted to ensure that every one was comfortable and fed well. She will always have a very special place in my heart.

Sending Blessings to her entire family. Lovingly, Dona Swanson.
