“ I became good friends with Stanley over the past two years. We attended church together at Calvary Chapel Chino Hills. From the second I got to know him, I could see the amazing compassion, sincerity and kindness that he had. I would take him out to lunch, have him visit my family, visit him at his home, etc. The one thing I will remember him saying was how grateful he was to have found a relationship with Jesus Christ and how he would pray for his family to do the same. I am so saddened by the news of his passing and wish I could have been there to tell him goodbye and let him feel loved and cared for one last time. I will miss you my friend. I will miss your conversation, your warm hugs and standing next to you on a Wednesday night worshiping the Lord together. I will see you again my friend.
