“ *In Loving Memory of Susanne Joseph 1942-2026*

It was an honor and blessing to know Susanne and to spend many visits together in prayer and conversation during her journey with Alzheimer's. She faced her illness with grace and courage, her faith in the Lord remaining steadfast through every season.

Susanne was the devoted wife of a proud Marine Aviator, John, and together they built a family grounded in faith, love, and service. John's tender devotion and constant care reflected the depth of their love—a true model of faithfulness and compassion. The support of each family member was a testament to the strength and unity Susanne inspired in those she loved.

The Aegis Hospice team was deeply honored to walk beside Susanne and her family in her final days, offering care and comfort to one who gave so much love in her lifetime. Her gentle presence, her faith, and the legacy of her love will be remembered with gratitude and affection.

She will be greatly missed, but we take comfort knowing she rests in the eternal peace and we will meet again someday.

With heartfelt sympathy and prayers,

*Chaplain Roger Rustad
Aegis Hospice*
