“ Ted Goodman. What a Joy! I met him in 2000 through Bobby and Susie. What an introduction. There was baby Cody, one of many dogs I was told, stones and gems galore. There was a dream catcher and a beaded choker from South Africa. There were memories shared of so many years gone by and a promise to collect every penny we ever came across. (We never did do that!) There were fountains, desk repair and barbeques galore. We shared laughter and tears for years gone by and we bonded! In years to follow, there were many trips to Palm Springs shared with Ted as well. There were party's, shots, birthdays, casinos, moving. shlepping. hannah and xmas celebrations. There were stockings and candy galore! There was a shared cat gracie, more animals, tooth aches, tiles repair, escaping, running to, oh stunning Ted! You had an amazing, generous, tender heart and a beautiful smile. Thank you for enlightening my life and your brothers' and sister. Your nieces and nephews. Your parents before them, your family's and your friends. You will forever be remembered and felt among us, right here. All my love to you, Lis

“Theodore” Ha ha! I loved to call you Theodore! What can I say about a person who never met a challenge he wouldn't take head on. Even without any ammo! A lover of animals and all things unique. I love you Ted. You are truly one of a kind. Never a dull moment. This is a man who made an imprint on everyone's heart he came in contact with. Held no prejudices. What you see is what you get. Genuine and full of heart. I met you through my mom Pam. And the rest is history. You have helped my mom when she needed it, leased out your home to my cat. Ha ha! And were tried and true even through the toughest of times. You would talk to me about my life and tell me things that I maybe didn't want to hear. But were the truth. I will miss you Ted. Shoot already do. I dedicate the song I WILL FOLLOW YOU INTO THE DARK/BY: DEATHCAB FOR CUTIE. I say to everyone please listen to it. It's actually quite touching. I prayed Ted before I went to the Hospital. I prayed in the Hospital. And I prayed after the Hospital. I wasn't part of your circle. But we had our own understanding and friendship. You knew the real me. And accepted me for me. Thank you Ted for listening all the times I vented. Thank you for being there for me and my mom and my kitty. I'll miss us all playing 10,000. With tears I say I prayed as much as I could for you. I wasn't sure if you had too many folks that would actually stop to do that. But I put in a good word. And I just know you made through the pearly gates. I would give anything to have seen when you finally met my sister. Do me a favor please. Let her know how much we have looked for her and how much we love her. Tell Bobby how hard your Brother has tried to adjust since he's been gone. And now with your absence we're all in a bit of a fog of disbelief. I am proud to have been your friend. I am blessed to have spent your last Birthday with you. And for those who don't know ;Ted recieved a couple of scratchers for his Birthday. And none of us could belive with each set of boxes he scratched he won ten dollars. He scratched \$100.00 dollars with that ticket. It was "AWESOME" and I wouldn't have believed it if I wasn't sitting right there to see it myself. To the Goodman family, we share in the loss of such a truly kind and loving person! Ted will be greatly missed. But never forgotten.

Ted I love you friend! I miss you and look forward to the day when we will meet again. Thank You for being You! ??? Kristy???

“ *Certainly my heartfelt condolences for your loss to the family. But if I could say something to Ted it would be, Ted you did so much for everybody and was always there for me. I considered you one of my best friends. I love you Ted and you will be missed. Remember all those times we went to the casino how much fun we had win or loose. You always had a dog you know I love animals that just drew me to you more. And we cant forget all our treasure finding adventures. I'm not going to say good-bye because I'll see you again. Love you till we meet again Chris*

“ *To Marcy, Phil, and all the kids,
I am deeply saddened to hear about Teddy's passing. Gregg and I
are so sorry for your loss. My fondest memory was one year when
both our families rented a beach house and we all just hung out and
played nonstop. Of course there was always Camp Scotmar. Good
times and lots of laughs.*

“ I love my uncle Ted with all my heart and I'm going to miss him. I remember how much fun I used to have with him when I was a kid, he used to mess with me and tease me and he used to always put a smile on my face. Now that I'm grown up we had one thing in common and that was the casino. That's my favorite place to be and his too. I remember when he hit big at the casino. Every thanksgiving we would sit and talk about what games we like to play and which games we thought would pay out and so on. On my birthday my uncle Ted was in the hospital and so I thought to myself the one thing I want to do for my birthday is see my uncle Ted and since I was already at San Manuel casino in San Bernardino I should drive to Palm springs to see him. It took me so long to find that hospital that day since I'm not familiar with the area and I was happy that I did because I got to spend quality time with him and he had a smile on his face the whole time. He even told the nurse "That's my niece Barbie" That made me happy since I wasn't sure he recognized me until he said that. He also said to me "The casino is up the street" and I asked him if that was the one he won big at? and he smiled and nodded his head to say yes... at that time he wasn't talking to much so I thought that was cute. I will never forget that birthday and it will always be special to me since I got to see my uncle Ted for the last time.. I love you uncle Ted and I will miss you.

*Love your niece,
Barbie*

PS

“ Ted, was my one and only true friend in this whole valley, when I was down and out he was there to take me to work, and pick me up, when I lost my mobile, in the hottest time of summer he help me with a yard sale (although no one could pick up anything without getting their hands burned) the temp was 115 degrees and no shade anywhere he was their for me. He let me move in with a bird and a cat who had never been outside except on a leash, but after living with Ted and a dirty litter box and I had moved he learned to become an outside cat real fast, Ted loved his animals and birds they will miss him alot, as will I, He was funny, sweet, and always there for anyone who needed a ride!! to the casino ha! ha!. Everyone tells me he was lucky but he was always broke when I was there with him and he was always sitting next to me if I won and would give him half so he would go away. He was a true artist in many ways he did well with his hands in creating something from what we would throw away into something of beauty be it rocks, stones crystals or glass. He made water fountains that were beautiful.

I love him and will miss him greatly and I feel blessed to have had such a great friendship with him. My love goes out to his family to let them know if there is anything I can do for them and my prayers are with you, I was able to spend alittle time with you but maybe we can all get together and share our stories. Phil I love you and hope you get thru this, as you know I will always be there for you and God Bless You All

Ted what can I say you are loved, Missed and I will see you on the other side. Where we can roll around heaven all day, Look for Mark and Jonne Ann and give them My love, than you can roll with them and have some fun

Your friend forever
Missing you
Pam
