“ Dear Monique and the Kinard Family

A mother's guiding hand sits on the shoulder of her children and the loss of a mother is such a great loss that can't be filled by anyone else. Toni, was someone who always inspired others. She was a wonderful Christian and she did a fine job she did in raising her family and teaching them to follow her example. May she rest in peace, and I know that she will be terribly missed by everyone who knew her. Please send our sympathies to your entire family and know that our entire Aegis hospice team was privileged to care for her in her last days, and hope that somehow we were able to ease your burden.

I wanted to make this memorial website for the family so they can share memories. Only the memories that are shared are the memories that last. I was able to be at Toni's bedside a day or two before she passed away, and we had a final prayer together as we held hands. Our hospice team hopes that we have been able to somehow ease your burden and bring a little comfort to you knowing that Toni received the best care she could in her final days.
