Reflecting on Memories - April 23, 2015 at 09:29 AM

“ To Karen and the family of Hank Westmoreland, I want to express my condolences.

Hank was known by many different titles by thousands of people and loyal fans. Some knew him as the World Champion in Drag Racing, and the hundreds of races in top fuel dragsters certainly took their toll on his hearing. Some knew Hank as a suburb skilled surfer or a master at making any car part you could think of. Others knew Hank for his creative ability to create some artistic items that are treasured today. As Hank's hospice chaplain, I got the distinction of being Hank's "Last New Friend".

I met Hank just as he was about to cross the "Finish Line" in life's race and he had less than a week to live. I will never forget the memory of walking in to his room with Karen and seeing Hank propped up with pillows, surrounded by Hot Rod magazines and reading the latest in the Hot Rod news. I knew immediately that I had found a friend that I had a lot in common with. When we began to look at the pictures of his 1937 Ford coupe parked in his garage, made 5 years before he was even born, I knew that we had a lot in common with our love for antique cars. We never got to take it for a spin but I can imagine all loving hours that were put into in to the restoration.

In Hank's final days, I was able to be there 3 of the 4 days and able to bring a little comfort and spiritual peace into his life. I will always remember the final textual reflection that I was able to share from Hank's Bible and that final prayer with Hank, Karen and our small prayer circle. The smile and hand shake said it all as you thanked me over and over for helping you to have the assurance of God's love and claiming His promise of giving you a complete restoration and a new body some day.

Hank, you crossed the finish line in style in the most important race of your life and Jesus is waving the checkered flag because you "fought a good fight and finished the race, and a crown is waiting for

you". It has been my privilege to be a chaplain for a real champion and that is why I made this webpage and putting together a movie of your life story to tell the story of a real CHAMPION.

Sincerely,

Chaplain Roger Rustad

“ *Our deepest condolences from Sonoran Winds Hospice. Hank was only on service for a short time but we were honored to be able to care for and comfort him. Hank made quite an impression on each of the support team that met him, and the stories of his love for Drag Racing and Motorsports and all his accomplishments were shared among all the staff. Rest in Peace Hank, our hearts and prayers are with you.*

Sincerely,
